

## 2022 'TERROIR SERIES' PINOT GRIS WILLAMETTE VALLEY AVA

This rare old vine hillside expression of Pinot Gris from the Willamette Valley brings three tiny plots of Pinot Gris together to create a stunningly complex and delicious wine. From two acres of our estate vineyard along with two distinct vineyard sites, Stone Ridge and Bella Vida, this wine expresses rich citrus, tree and stone fruits vibrant acidity, creamy texture, and benchmark minerality.

Each vineyard block is whole-cluster pressed and fermented in small batches before aging in different vessels which brings layers of texture and complexity into balance with this unique representation of 'Willamette Valley' Pinot Gris.
