2022 CABERNET FRANC

LOS CHACAYES IG - UCO VALLEY

This 100% Cabernet Franc comes from a single block within our vineyards at the foot of the Andes Mountains. At more than 3,800' above sea level, our vineyards benefit from these deeply alluvial lands with abundant solar exposure.

This variety, after Malbec, is the one that has evolved best in the last five years. We strive to obtain varietal typicity with this high altitude Cabernet Franc - complex and well structured, with elegant tannins and the perfect balance of tannin from 15 months aging in French oak barrels. This vintage displays a concentrated aroma of jam, red peppers, and tobacco, while having well structured, full bodied notes on the palate.
