HOW IT STARTED

Dr. Madaiah Revana

Dr. Revana balances a successful practice as a cardiologist in Houston, Texas with his commitment to Revana Family Vineyard. His desire to take on an additional career making Cabernet Sauvignon is rooted in his Indian Heritage, passion for both wine, and the rich tradition and culture of winemaking.

First introduced to fine wine by friends, he quickly became fascinated with Bordeaux's first growths. That fascination led to the Cabernet Sauvignon based wines of Napa Valley, Pinot Noir of the Willamette Valley, and the Malbec, Bordeaux Varietals, and Rhone Varietals of the Uco Valley.

Dr. Revana dedicated himself to learning all he could about his new interest. He traveled the wine regions of Europe and the United States, learning along the way, and he became determined to create a vineyard estate from which he could craft his own world-class wines. Revana Vineyards was born of that determination. Today, he is the only immigrant from India to own three wineries that have all been featured on Top 100 lists and are highly acclaimed.

ALEXANA | DUNDEE HILLS AVA | WILLAMETTE VALLEY – OR

Revana Vineyard: 55 acres | First Vintage: 2006 | Founder/Owner: Dr. Madaiah Revana | Winemaker: Bryan Weil | Vineyard Manager: Evan Bellinger

L.I.V.E. Certified Sustainable
Dry Farmed & Hand-Harvested
Certified Salmon-Safe
3 level gravity-flow winery
2 & 3 ton micro-fermentations
Native Yeast Fermentations

The 'Revana Vineyard' is an outlier of a site, located on the very Northwestern limit of the famous Dundee Hills AVA.

This rare piece of vineyard land is where the confluence of Ancient Marine Sedimentary soils and the famous Volcanic soils of Dundee merge, resulting in a vineyard with 18 different soil types.

Each vineyard block was planted to capture a specific soil type and clonal selection. We aim to steward this diversity by farming, vinifying and barrel aging each block separately to understand the unique influences.

REVANA
VINEYARDS

DUNDEE HILLS AVA

Alexana's 80-acre Revana Estate Vineyard is situated in the heart of the Willamette Valley within the pristine Dundee Hills AVA. It is one of the most geologically diverse vineyard sites in North America – if not the world – with 55 planted acres on 18 different soil types. The vineyard is dry-farmed and sits between 320 feet and 650 feet elevation. Our farming practices are LIVE Certified sustainable and are applied to cultivate ultra-premium fruit that includes 11 different clones of Pinot Noir, two different clones of Chardonnay, and one clone of Pinot Gris.

Alexana Estate Riesling

Dry-farmed, small-lot fermentations, native yeast and gravity flow winemaking with slight barrel fermentation and lees contact create a beautifully textured and mineral driven Oregon Riesling.

Alexana Signature Chardonnay

Signature represents a selection of the highest quality Chardonnay barrels from our cellar. Chosen for their extraordinary texture and concentration, each barrel blends seamlessly together to create our most elegant expression of Chardonnay.

Alexana Estate Pinot Noir

Our Oregon Pinot Noir expresses the truly unique complexity and diversity of one of the most geologically diverse vineyards globally consisting of 18 unique soil types and 11 different clones of Pinot Noir planted within 55 acres and separated into 32 micro blocks.

Alexana 'East Blocks' Pinot Noir

The eastern blocks of our estate vineyard are south to south-east facing and are composed entirely of various volcanic soil types. This section of our property consistently produces softly textured wines noted for red stone fruits and spice.

Alexana 'West Blocks' Pinot Noir

The western blocks of our estate vineyard are west to south-west facing and are composed entirely of various sedimentary soil types. This section of our property consistently produces softly textured wines noted for dark brambly fruits and minerality.

WILLAMETTE VALLEY

The Willamette Valley, Oregon's leading wine region, has two-thirds of the state's wineries and vineyards. It is recognized as one of the premier Pinot Noir producing areas in the world. The climate boasts a long and gentle growing season—warm summer days with cool evenings, mild winters and long, often rainy springs—the perfect conditions for growing the cool-climate grape varieties for which Oregon is best known.

Alexana 'Terroir Series' Pinot Noir

Our Terroir Series Pinot Noir is a composition of the Willamette Valley's most highly regarded vineyards. Selected for their uncompromised farming practices and individual personality, these sites blend seamlessly together to create a wine that is uniquely Oregon.

Alexana 'Terroir Series' Pinot Gris

Three tiny plots of Pinot Gris come together to create a stunningly complex and delicious wine. Two distinct vineyard sites along with our two acres meld expressively rich citrus/tree/stone fruits with intensely vibrant acidity and a textural elegance with benchmark minerality.

Alexana 'Terroir Series' Chardonnay

Three premier vineyard sites are combined into a seamless Chardonnay that showcases a true 'cool climate' Chardonnay of impeccable balance, vibrancy, and expressive texture. The diversity of micro-climates in the Willamette Valley produce a vast array of ripeness and complexity in Chardonnay.

CORAZON DEL SOL | LOS CHACAYES I.G. | UCO VALLEY – ARGENTINA

First Vintage: 2011 | Founder/Owner: Dr. Madaiah Revana | Winemaker: Santiago Achaval & Cristian Moor | Vineyard Manager: Juan Gambino

Organically farmed

Individual berry sorted

Whole cluster pressed

Small batch fermentation

Native Yeast

In 2008, Dr. Revana fell in love with Uco Valley during a visit with winemaker, Santiago Achaval. After discovering a raw piece of desert near an ancient river bed at 3,600' elevation along the Western-edge of Uco Valley, Dr. Revana planted the original vines of Malbec and Cabernet Franc in a remote part of Uco Valley along the ancient riverbeds of the 'Arroyo Grande' at the foothills of the Andes Mountains.

Today Corazón Del Sol is a 7,000 case winery dedicated to showcasing three small plots of land in the Los Chacayes IG (Indicación Geográfica) - the rockiest sub zone of Uco Valley with a growing reputation for premium winegrowing. The winemaking team at Corazón del Sol only produces limited edition wines—making these unique wines some of the rarest in the world. Corazón del Sol has earned recognition twice in *Wine Spectator's* TOP 100 Wines of the World, and continues to produce focused wines in the extreme conditions of the Uco Valley that are complex and elegant.

CORAZONDELSOL.COM

LOS CHACAYES VALLE DE UCO

Situated at 3,100 feet above sea level, our 17 acres of estate vineyards are situated at the base of the Andes mountains, the second largest mountain range in the world. The ancient river bed consists of incredibly deep and well drained alluvial soils that are made up of rock and sand which has eroded from the mountains over millions of years. These unique soil types are a perfect setting for wines of great complexity, power, and finesse.

Corazon del Sol 'Los Chacayes' Malbec

An expression of high-altitude Malbec true to the floral and high-toned fruit aromas of the region. A vibrant Malbec accented by superfine tannins developed from the solar intensity and cool nights of the Uco Valley.

Corazon del Sol Estate Grenache 'Block 13'

Classic red fruit intensity elevated by complex floral and desert-herb aromas, unique to the Los Chacayes IG. This 100% single-vineyard high-elevation Grenache represents a new era of boutique wines from this exciting subzone within the Uco Valley.

Corazon del Sol Luminoso Estate GSM

A pioneer wine that is making history in Argentina! 'Luminoso' comes from the original three acre block of Grenache, Syrah and Mourvèdre that we planted at Corazón del Sol to produce Argentina's first GSM blend from a vineyard that is reminiscent of Châteauneuf-du-Pape at 3,600' in elevation.

Corazon del Sol 'Magma' Estate Bordeaux Blend

Influenced by the great wines of Right Bank Bordeaux, Magma is an estate bordeaux blend that tells the story of one of Mendoza's most exciting sub zones (Los Chacayes IG).

Corazon del Sol Gran Reserv Estate Cab Franc

Inspired by the great terroirs of Pomerol and Saint-Émilion, in 2008, we planted a single acre of Cabernet Franc within 'block 13' at 3,400' elevation along the sandiest section of our 17 acre estate. The stand-alone quality and stunning personality from this site compelled us to bottle a limited production as 100% Cabernet Franc.

Corazon del Sol Gran Reserva Estate Malbec

A beautiful expression of our finest Malbec barrels from a cooler vintage in Los Chacayes, small berries, and low yields that resulted in balanced wines with vibrant acidity. Only a few barrels were hand-selected from our 7 acres of Estate Malbec in pursuit of producing the highest quality Malbec in the world!

REVANA | ST. HELENA AVA | NAPA VALLEY – CA

First Vintage: 2001 | Founder/Owner: Dr. Madaiah Revana | Winemaker: Thomas Rivers Brown & Geoff Daves | Vineyard Manager: Jim Barbour

Sustainable farming
Whole cluster hand-sorted
Small Lot and Whole Berry
Fermentation
Estate Produced & Bottled
Gluten Free & Vegan

In 1997, with the help of vineyard manager, Jim Barbour, Dr. Madaiah Revana found 10 acres of continuous farmland on the valley floor to meet the requirements for building a winery in Napa Valley. One of last true Estates developed in St. Helena, Dr. Revana worked with Heidi Barrett and Jim Barbour to produce some of Napa's finest Cabernet Sauvignon.

Twenty years later, Dr. Revana is still practicing as a world-renowned cardiologist and the Estate is under the guidance of famous winemaker, Thomas Rivers-Brown. Each vintage of our 8.2 acre vineyard produces around 1,200 cases of stunning Cabernet—95% is sold to our mail list.

LIMITED ALLOCATIONS AVAILABLE

REVANA | [VIEW TRADE ASSETS](#)

NAPA VALLEY

An ideal spot for growing Cabernet Sauvignon, Revana's Estate vineyard is located in St. Helena. Framed by the Mayacamas and Vaca mountains, this northern part of Napa is the narrowest stretch of the valley. Over millions of years, hillside erosion from the surrounding mountains has provided an optimal mixture of gravel and sand resulting in the deep, well-drained alluvial soil that makes up the Revana Estate.

Revana
'St. Helena' Estate
Cabernet Sauvignon

This highly-allocated estate-grown Cabernet Sauvignon tells the story of our pursuit of purity, elegance, and immense structure. Crafted from our meticulously managed eight acre property located in the narrowest section of St. Helena, at the north end of Napa Valley.

Revana
'Napa Valley'
Cabernet Sauvignon

Revana Estate produces limited quantities of classically balanced Cabernet Sauvignon. In addition to the Revana Estate Vineyard, our winemaker, Thomas Rivers Brown works with two other iconic sites in Napa Valley—Edcora Vineyard and Shiflett Ranch—to create the 'Napa Valley' Cabernet Sauvignon.

SINGLE VINEYARD SERIES COMING SOON FALL 2024

Revana
'Cold Springs Vineyard'
Cabernet Sauvignon

Ten barrels were produced from 20 year old vines high above the Napa Valley between 1,600 and 1,800 feet in elevation. The Cold Springs Vineyard was hand selected by Thomas Rivers Brown for its powerful yet nuanced expressions of mountain terroir.

Revana
'Steltzner Vineyard'
Cabernet Sauvignon

Nestled in the rocky Stags Leap District palisades on the eastern side of the Napa Valley, the Steltzner Vineyard is meticulously farmed by Napa Valley all-star Jim Barbour. This vineyard site is defined by a combination of marine influence from the San Francisco Bay and the unique rocky soils to produce a wine of elegance and depth.

Revana
'Round Pond Vineyard'
Cabernet Sauvignon

Only eight barrels are produced from a tiny pocket within the Round Pond Vineyard, a microsite renowned for its gravelly soils. These vibrant and diverse soils deposited over millennia by the Napa and Russian rivers as well as the Conn Creek, make Round Pond vineyard a prime producer of Cabernet Sauvignon that embodies a robust character.

THE ICON SERIES

COMING FALL 2024

Three wines of unparalleled pedigree from Napa Valley's most iconic vineyards:

Revana Estate 'Block 6'

St. Helena AVA, Cabernet Sauvignon

Weitz Vineyard

Oakville AVA, Cabernet Sauvignon

Beckstoffer To Kalon Vineyard

Napa Valley AVA, Cabernet Sauvignon
