GSM

REVANA VINEYARD
SINGLE BLOCK 13

First GSM produced in Argentina. Grenache, Mourvedre and Syrah, hand picked from our vineyard block 13 and co-fermented, which gives this assemblage a unique and elegant finish.

VARIETIES | Grenache 67%, Mourvedre 19%, Syrah 14%

HARVEST | 2016

NOSE | Aromas of red fruit, roses and leather.

MOUTHFEEL | Pomegranate and strawberry with a fresh acidity and a spicy note of white pepper, complex tannins with layers of elegant texture.

VINEYARDS | Bloque #13, Los Chacayes (1100m), Valle de Uco

PRODUCTION | Limited edition of 7000 numbered bottles.

AGEING | 14 months in French Oak barrels.

ALCOHOL | 13%

In 2008 we planted 0.4 ha of each variety Syrah, Mourvedre and Grenache in our block 13. From 2011 onwards we produced the First GSM ever in the history of Argentina.

The natural expression of this high elevation vineyard together with the elegant texture coming from the profile of the soil, is the reason we chose Los Chacayes to create this unique expression in our GSM.
