

CORAZON DEL SOL

2018 CORAZON DEL SOL 'MAGMA' LOS CHACAYES I.G. - UCO VALLEY

96
POINTS
VINOUS

Influenced by the great wines of Right Bank Bordeaux, Magma tells the story of one of Mendoza's most exciting subzones (Los Chacayes IG). It delivers a unique high-elevation personality amplified by the intense solar radiation of this vineyard site.

'Magma' is our most complex wine, combining the finesse of Merlot, the power of Cabernet Sauvignon, the elegance of Cabernet Franc and the freshness and complexity of Malbec. Together, they make a beautiful blend for those with traditional palettes who like wines with deep and intense colors, complex and concentrated aromas, that are intense and long in the mouth.
