

CORAZON DEL SOL

2020 'UCO VALLEY' SEMILLÓN

LOS CHACAYES I.G. - UCO VALLEY

This young, fresh, medium-bodied variety is very aromatic and typical of two cold areas within Tupungato - El Zampal and El Peral. We selected Semillón to honor the heritage of winemakers from the 1970s, when Argentina produced more white wines than reds.

Today with current knowledge and studies, we have fully recognized the potential of this wine and the variety that gave us so much in our viticultural history. With notes of Melon, citrus, and floral on the nose, it embodies a smooth tropical experience on the mouth.
