

2020 'ST. HELENA ESTATE' CABERNET SAUVIGNON ST. HELENA AVA - NAPA VALLEY

The vineyard progressed beautifully through the 2020 idyllic growing season, promising to deliver above average quality, but the harvest was cut short by wildfires that broke out on September 27th. Focusing on just the fruit which had already harvested before the fires on September 16, 2020, the resulting wine captures the elegance and intensity of a beautiful 2020 vintage that expresses blackberry and baking spices on the nose and a creamy vanilla texture with dark cherry accents on the palate.

VARIETY

100% Cabernet Sauvignon
Clone 7

VINEYARD

Revana Estate Vineyard
St. Helena AVA

FARMING & WINEMAKING

Sustainable farming
Optical sorted
