

ALEXANA

2018 TERROIR SERIES WILLAMETTE VALLEY PINOT GRIS

Alexana Pinot Gris represents a selection of distinctly different terroir from within the Willamette Valley. Our approach to Pinot Gris lends towards a focus on texture, balance and fruit intensity without excessive residual sugar.

This Pinot Gris was grown from Alsatian cuttings and expresses a mineral rich texture, with vibrant citrus & tree fruits, balanced with cool-climate acidity, beautiful aromatics, and elegant barrel fermentation texture.
